jeanyves.dogo@gmail.com
+33 6 68 63 40 19 · Paris

For over 8 years, I've believed design should be as thoughtful in use as it is distinctive in expression. I design products, lead creative projects, and build visual worlds where every detail serves a shared vision.

experience

Product Designer & Cr. Director @ **Daké**

SEP 2023 · PRESENT · INDEPENDENT

Led digital product design from user and business needs to delivery. Combined UX/UI with brand identity, campaign direction and production.
Clients: Tissot, Longines, Blancpain, Yves Saint Laurent, Spotify, Samsung, IKEA, Marie Claire, Le Coq Sportif, Hoka, Elyte Club.

Product Designer @ **Niji**

SEP 2020 · JUL 2023

Combined product discovery, business requirements and technical constraints to shape web/mobile experiences. Ran interviews, tests and co-design; defined journeys, UI and design system components with developers through launch.
Clients: Picard, Dalkia, BNP Paribas, Crédit Agricole, Relais & Châteaux.

Product Designer & UX PM @ **Big Youth**

JUL 2018 · SEP 2020

Connected user needs and business goals through UX audits, co-design and end-to-end web/mobile design. Coordinated clients, creatives and developers from product framing to delivery.
Clients: Picard, Fashion Network, Mugler, Eiffage.

Product Designer @ **Xaalys**

DEC 2018 · AUG 2020 · FREELANCE

Partnered with founders to define product needs and features. Owned design from information architecture and user journeys to UI and prototypes, adapting solutions to feedback and project priorities.

Creative Consultant @ **Le Swave**

JAN · OCT 2019 · FREELANCE

Advised startups at Paris&Co through Design Thinking and co-creation workshops, clarifying user and business challenges and shaping product and service concepts.
